About Venezia

Since its inception, the creative universe of Venezia has always encompassed a vision to refurbish the interiors with understated brilliance through its exquisite furniture modules. Venezia - the bespoke furniture brand is at top of the ladder with its enduring and wide range of designs making it the first choice of the people.

Located in the industrial hub of Ahmedabad, the manufacturing unit of Venezia is the backbone that spans over a sprawling area of 1,50,000 sq. ft. and this allows for functional enhancements and design explorations that transform conceptual materiality to bespoke furniture, redefining the focal point of your space. Since over a decade now, aesthetics with functional innovation are the hallmarks of Venezia furniture, blending elegance with unique comfort and tradition, along with world class technology. We at Venezia, offer a series of high and luxurious European designs, finishes, products and solutions in the ever evolving world of **Kitchen, Wardrobe, Beds and Vanity** spaces.

Parallel to its unmatched quality and competitive prices, Venezia beholds innovative approach of catering to the individual needs. Each design at Venezia marks the stamp of uniqueness in all its creations!

Why Venezia

At Venezia, we are driven by passion and technology creating it a custom made tailor shop.

Venezia have a multidimensional production and research & development unit employing state of art technology with fully automatic next generation machinery from Germany and Italy. Materials here are extensively tested to make our living spaces modern and functional that comes with a promise of durability and brilliant finishing for modern living spaces.

Vision & Mission

Our aim is to inspire people to realize their kitchen dreams. We develop functional and attractive kitchen solutions based on our insights into modern-day consumer requirements and solid expertise regarding kitchen spaces.

Our mission is to build long term relationships with our customers and provide exceptional services as well as needed satisfaction, by pursuing business through innovation and advanced technology.

Our Craftsmanship

At Venezia, our commitment to impeccable craftsmanship and luxury is reflected in everything we do. We indulge in the state-of-the-art spray line machines and latest German Technology to maintain the quality of our furniture. Quality and innovative designs are the feathers in Venezia's cap. At Venezia, employees are fully trained professionals and thoroughly expertised to manufacture as well as install furniture modules. It is our endeavor to provide customers with high quality products at an unmatched value.

The Kitchen Is
The Heart Of Every Home,
For The Most Part.
It Evokes Memories Of Your Family History.

Our Kitchen

Venezia kitchens are characterized by their design and quality while maintaining their functional and ergonomic purposes. Our kitchens are curated with excellent craftsmanship to accentuate luxury and elegance.

Crystal

This elegant kitchen module imparts the authentic contemporary feel to your house.

The sleek design and crystal clear finish gives a very opulent impression to the admirers of this kitchen setting.

Dazzle

Dazzle preaches the marvellous modern architectural styling in its makes.

The artistic design template along with the unique and versatile concepts make this module surely a standout feature of your home.

Shade

The chic color palette of the Shade kitchen module appeals to every eye.

The refined make and polish of this particular module reflects elegance.

The Kitchen Is A Real Castle Itself.

This Is Where We Spend Our Happiest Moments &
Where We Find The Joy Of Being A Family.

Elixir

Elixir stands true to its name by showcasing its enriching beauty that can instantly put you at comfort.

With ample of storage options and grand working space needed for any kitchen, Elixir is the best fit for large households.

Chime

The Chime kitchen module particularly resonates with the posh and high class settings aspired by every individual.

The urban color scheme of this module and the artistic finish surely creates a pleasant experience for the individual.

"our Kitchens Are **Seasoned With Love.**"
- Venezia

Dawn

A small and cozy kitchen station to uplift your kitchen space with its own peculiarity.

Just being at the Dawn instigates a feeling of warmth with its simplistic design, just like the first rays of sun at the morning dawn.

Ray

This shimmering kitchen cabinet module beautifully adorns your house ambience with its presence.

The most admiring feature of Ray is its minimalist design work, hence inspiring a formal charm to its appearance.

Musk

As the tantalizing fragrance of Musk, this particular kitchen module also embarks its strong characteristics with its polished look.

The voguish make of Musk pleases everyone right from the possessors to the onlookers.

Zen

The metallic scheme of Zen adds a very sophisticated touch to your kitchen space.

The multipurpose cabinets and drawers offer enough capacity for storing all the required materials systematically.

The Key To Setting Something
Ordinary Apart Is In The Details.

Breeze

The rich composition of the Breeze kitchen module can leave anyone spellbound with its majestic design.

The aesthetic design is well suited for the exquisite taste and makes an unforgettable first impression.
