About Venezia

Since its inception, the creative universe of Venezia has always encompassed a vision to refurbish the interiors with understated brilliance through its exquisite furniture modules. Venezia - the bespoke furniture brand is at top of the ladder with its enduring and wide range of designs making it the first choice of the people.

Located in the industrial hub of Ahmedabad, the manufacturing unit of Venezia is the backbone that spans over a sprawling area of 1,50,000 sq. ft. and this allows for functional enhancements and design explorations that transform conceptual materiality to bespoke furniture, redefining the focal point of your space.

Since over a decade now, aesthetics with functional innovation are the hallmarks of Venezia furniture, blending elegance with unique comfort and tradition, along with world class technology. We at Venezia, offer a series of high and luxurious European designs, finishes, products and solutions in the ever evolving world of Kitchen, Wardrobe, Beds and Vanity spaces.

Parallel to its unmatched quality and competitive prices, Venezia beholds innovative approach of catering to the individual needs. Each design at Venezia marks the stamp of uniqueness in all its creations!
