About Venezia

Since its inception, the creative universe of Venezia has always encompassed a vision to refurbish the interiors with understated brilliance through its exquisite furniture modules. Venezia - the bespoke furniture brand is at top of the ladder with its enduring and wide range of designs making it the first choice of the people.

Located in the industrial hub of Ahmedabad, the manufacturing unit of Venezia is the backbone that spans over a sprawling area of 1,50,000 sq. ft. and this allows for functional enhancements and design explorations that transform conceptual materiality to bespoke furniture, redefining the focal point of your space. Since over a decade now, aesthetics with functional innovation are the hallmarks of Venezia furniture, blending elegance with unique comfort and tradition, along with world class technology. We at Venezia, offer a series of high and luxurious European designs, finishes, products and solutions in the ever evolving world of **Kitchen, Wardrobe, Beds and Vanity** spaces.

Parallel to its unmatched quality and competitive prices, Venezia beholds innovative approach of catering to the individual needs. Each design at Venezia marks the stamp of uniqueness in all its creations!

Why Venezia

At Venezia, we are driven by passion and technology creating it a custom made tailor shop.

Venezia have a multidimensional production and research & development unit employing state of art technology with fully automatic next generation machinery from Germany and Italy. Materials here are extensively tested to make our living spaces modern and functional that comes with a promise of durability and brilliant finishing for modern living spaces.

Vision & Mission

Our aim is to inspire people to realize their kitchen dreams. We develop functional and attractive kitchen solutions based on our insights into modern-day consumer requirements and solid expertise regarding kitchen spaces.

Our mission is to build long term relationships with our customers and provide exceptional services as well as needed satisfaction, by pursuing business through innovation and advanced technology.

Our Craftsmanship

At Venezia, our commitment to impeccable craftsmanship and luxury is reflected in everything we do. We indulge in the state-of-the-art spray line machines and latest German Technology to maintain the quality of our furniture. Quality and innovative designs are the feathers in Venezia's cap. At Venezia, employees are fully trained professionals and thoroughly expertised to manufacture as well as install furniture modules. It is our endeavor to provide customers with high quality products at an unmatched value.

A House Is Much More Than A Mere Shelter.
It Should Lift Us **Emotionally & Spiritually.**"
- John Saladino

Our wardrobes

Wardrobes are the most important furniture of any home. Whether you prefer open, sliding, hinged or a walk-in closet, we have everything to suit your clothes, your style, and your space.

Vogue

Contemporary appeal and refined materials emphasize the diverse personalities of the Vogue wardrobe and the character of its sophisticated design. This wardrobe is the epitome of versatility and has been designed as a truly “tailored” solution.

Vogue

Horizontal Handle

The stand out feature of this wardrobe is horizontal handles along with color lacquered options.

The wardrobe can be customised as per your convenience into 2 door or 4 door modules as per the required space utilization.
